7-WAY ROUND PIN TRACTOR TRAILER CIRCUIT CHASER®

Test Towing Circuits at the Back of the Truck

The 7-Way Round Pin Tractor Trailer Circuit Chaser® allows "one-man testing" for male and female 7-way round pin tractor trailer plugs. The Circuit Chaser® is a great way to test your trailer circuits at the 7-way socket, including left and right turn signals, hazard lights, brake lights, clearance, tail tags, or ABS circuits. It can also test 7-way cables.

Features and Benefits

- Plugs into vehicle-side socket
- LEDs indicate that each circuit is working
- Allows bypassing of troubled circuitry while on the road
- Winged grip for easy installation and removal
- Weatherproof

Includes

- Packaged with an extra brass jumper
