SMART MUTT® PRO EDITION (7-WAY FLAT PIN TRAILER TESTER)

Remote-Controlled, Mobile Diagnostic Trailer Tester for Light-Duty Trailer Lights and Electric Brakes

The Mobile Smart MUTT® is a portable, electronic trailer tester that instantly tests lights and electric brakes on light-duty type trailers (7 flat, 6 round, 5 and 4 pin).

Features and Benefits

ELECTRICAL SYSTEM TESTING (12/24V)

- Power lights and electric brakes: Manually, All-On, Auto Scan, or by Remote Control from over 200 ft. away
- Audible and visual alerts: cross, open, overloaded and short circuit indication
- Trailer wiring and circuit testing
- Diagnostic Pulsar® mode allows safe overloaded/short circuit repair
- Amperage readout and range (-/+ 20 amp range)

REMOTE CONTROL

- Remotely test all trailer electric circuitry individually with included 12-button remote controls
- Sync multiple (12) remotes to one unit
