# BRUSHALL® WIRE HAND BRUSH (NYLON)

**BrushAll®**  
A Division of IPA®

## Professional Wire Hand Brush with Ergonomic Handle; Available in Nylon and Stainless Steel

The BrushAll® Nylon Wire Hand Brush is multi-purpose and ideal for any task: from precision cleaning, detailing, and surface preparation to applying solvents and chemicals, household maintenance and general brush work. The densely packed brush head is mounted on a soft, ergonomic handle for a comfortable grip in multiple positions while avoiding hand fatigue when applying maximum force when pushing and twisting. Measuring 7" long with a 1.25" diameter head, this commercial-quality brush outperforms standard wire brushes for demanding tasks in the shop, garage, home, or field.

### Features and Benefits

- Professional-grade, nylon bristles
- Resists chemicals and solvents
- Removes dirt, debris and rust
- Cleans corners, recesses and hard-to-reach areas where standard brushes cannot
- Ergonomic handle maximizes grip for pushing, pulling and twisting
- Ideal For: Cast iron cookware, dishes, pots, grout, sinks, shower/tub, bathrooms, toilet, bike chains, grill, and more
- Patent Pending
