3-PC. SPECIALTY BLOW-GUN ASSORTMENT

Assortment of Specialty Blow-Guns for a Variety of Common Industrial Applications

The innovative and versatile 3-Pc. Specialty Blow-Gun Assortment includes: an Air Bender® model, Air Scraper model and BlowBack® model. They are ideal for engine repair, machine shop, ag/construction and general industrial applications and much more.

Features and Benefits

- **Air Bender® Blow-Gun** reaches hard-to-access areas with focused, high-pressure, 90° angle output
 - For blowing out channels, ports, or reaching around obstructions
- **Air Scraper Blow-Gun** features a stainless steel shaft and scraper tip that combines air pressure and scouring action to remove and blow away stuck-on debris for faster cleaning than other methods
 - For cleaning gasket surfaces, removing grease, rust and more
- **BlowBack® Gun** dislodges and evacuates debris from the bottom of a bolt hole and out of all the threads
 - For cleaning head-bolt holes, manifolds and more
