# 7-WAY FLAT (SPADE) PIN TOWING MAINTENANCE KIT WITH TERMINAL CHASER™

## Test, Clean and Restore Male and Female 7-Way Flat (J2863) Pin Connectors and Terminals

Quickly test, clean and repair truck and trailer connections. The included tester will verify that the tow vehicle is sending the correct signals to the connector, while the cleaning tools remove corrosion and verify proper pin size on both male and female truck/trailer plugs. For use with 7-way flat (J2863) connectors.

### Features and Benefits

- Tests tractor electrical circuits
- Removes corrosion from truck and trailer connectors
- Great preventative maintenance tool
- Enhances electrical contact points and extends harness life
- Promote safety and limit road hazards
- Connector cleaners can be used as a pin wear gauge
